Tom:

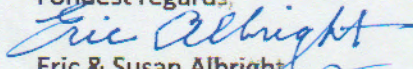

We would like to take this opportunity to thank you for the professional job your people performed on the leveling of our home's foundation.

Saying that we felt stressed and concerned making the decision to proceed with no prior knowledge of the do's and don'ts of selecting the right company, was helped so much by your calm, experienced explanation of the process.

We were impressed by the focus the crew showed on returning our landscape to much of its original appearance, despite all the work done in and around it.

We highly recommend that anyone seeking foundation repair take a serious look at using Dodson Foundation Repair as a trusted source.

Fondest regards,

Eric & Susan Albright
