Dear Tom,

Thank you for your help with correcting a problem with drainage and soil expansion under our enclosed patio. You are very knowledgeable and practical with the solution.

Also, thank you so much for the final cleanup and smoothing of the dirt so I can add sod. You picked up all of your waste materials and removed them from the property, and I appreciate that so much.

I am sending your contact information to the person I told you about concerning setting up a website for your company. He is a young guy that is just starting out, does an excellent job, and is reasonable in price, so I hope he is helpful to you.

Regards,

Tom
