DODSON FOUNDATION
5-18-2013

It is very satisfying and
comforting to know that we have
chosen a reputable foundation
business. We were impressed with
the workers, who brought tarps
to place the dirt on, in order to
protect the grass & patio. Most of all
the assurance, that the Foreman,
Omar, was there the entire time
directing & watching.
We found him to be a very courteous
& informative representative.
We would be pleased to recommend
Dodson Foundation
to any one.
