

Mr. Tom Dodson  
Dodson Co.  
Allen, TX

Dear Sir,

I seldom pass compliments on for services that I pay for, but that is the purpose of this letter.

Most of us are uneducated and bewildered about foundation problems and the needed repair techniques and related costs.

Based on your evaluation, obvious sincerity and professionalism I chose your firm to do my repairs.

Your crew was prompt, efficient and provided a area clean-up when complete.

I especially like the fact that you offer a life-time guarantee of satisfaction and I will be happy to recommend your work to others.

Sincerely

H. L. Johnson
