To Whom It May Concern:

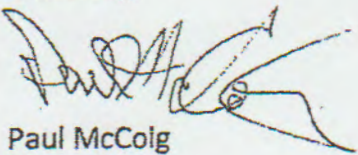

Over the past several years we have had the pleasure of working with Tom Dodson and his crew.

Foundation and drainage problems on our home required the installation of a root barrier system and just recently, an extensive foundation repair. After receiving several proposals and quotes, we found that Mr. Dodson had the most efficient and practical solution to our foundation issue. Mr. Dodson's professional knowledge of soil conditions and repair options gave us a high degree of confidence going into the job.

The foundation and drainage repair exceeded all of our expectations. When Mr. Dodson makes a promise, he delivers. Not only was the job finished in the time he estimated, his crew was diligent about making sure the work area was left neat and clean.

We would not hesitate to recommend Dodson Foundation and Remodeling to anyone requiring a professional and expert job.

Sincerely,

Paul McColg
