Dear Tom,

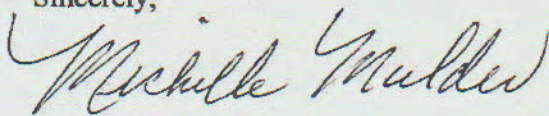

Sid and I would like to thank you and your crew for the excellent job of foundation repair you did for us this last month. It was beyond our expectations. I was very glad a friend of mine highly recommended your company. At the time we were taking bids on the repair work that needed to be done and no other company was willing to work with us the way you did. Your honesty of what was needed and of course what was not needed was the main reason we chose your company.

The crew you sent out to do the repairs we friendly, courteous, and very conscientious of everything they did. They went beyond what was expected of them. Any extra dirt was taken to lower land and spread out. That was an unexpected pleasure. When they left you couldn't tell we had the work done. All the sidewalks were not only swept but were also washed down. Everything was cleaned up.

We would heartily recommend your company for any foundation repairs if anyone wishes to talk to us personally. We will also highly recommend your company to anyone we know that needs these kind of repairs. Please feel free to use us as a recommendation.

We look forward to doing business with you again in the future, as you know, there is a lot more work to have done around our home and of course you will be the one we call first.

Thanks Again,
Sincerely,
