Dear Mr. Dodson,

I appreciate the job you did, installing approximately ninety (90) feet of root barriers between the large oak trees and our front foundation.

Your crew accomplished the job in a timely and professional manner and restored the yard to its near previous condition. Your pricing was reasonable for the job done and I would be happy to recommend Dodson Foundation and Remodeling to anyone needing similar work. You were recommended to me by Holcomb Tree Service which does a lot of work in our vicinity, and I have advised them that I was very happy with their recommendation.

Thanks again for a job well done.

Sincerely,
