To Whom It May Concern,

I am writing to let you know that Tom Dodson and his crew just finished doing foundation work at my house in Lewisville, Texas. I was very happy with the work that they did. They arrived on time and were able to finish in one day. Tom communicated numerous times as we had to reschedule once because of rain.

The crew did a professional job and went above and beyond what I expected them to do. I would recommend Tom Dodson to anyone that has any foundation problems. He is very honest, trustworthy, and down to earth.

Feel free to call me at the number below, if you have any questions regarding Dodson Foundation and Remodeling.

Sincerely,

Karen Sutherland
